He also expressed confidence in the elected committee for 2019, saying that he looked forward to continued initiatives geared at building the profile of the Tobago Division and the Tobago economy.

In her first address to the membership as Chair, Ms. Hadad commended the 2018 committee on its resolve over the past year.

Noting that this year's committee comprised a good mix of returning and new members, Ms. Hadad warned that the work ahead would continue to be demanding, as there was much to be addressed

when it comes to rebuilding Tobago's economy. Discipline and commitment got the Tobago Division through 2018, she said, and she expected the same of her team going forward.
