

## The great unlocking?

On reopening, Asia leads, and Europe follows, with strategies differing across countries.

Note: Estimated status of opening as of May 12 (except for New Zealand whose status is as of May 14), based on announcements by authorities. Cafes refers to dine-in restaurants and cafes. Travel (international) refers to non-essential international travel. \*At this stage, contact tracing apps in Europe are mainly on a voluntary basis with decentralized data-protection/sharing approach.

Scale of Opening: green = open with restrictions/guidelines, yellow = partially open, red = closed.
