VACCINATION DRIVE

Doing Our Part

11. **How are the vaccines being administered?** Healthcare Professionals from the Trinidad and Tobago Medical Association who are recognised by the Ministry of Health will administer the vaccines. Prior to your vaccination there will be pre-vaccination screening to ensure you can receive the vaccine. These questions are on Ministry of Health Vaccination which you must bring to your appointment.
12. **Will you be partnering with the Ministry of Health to administer the second dose of the vaccine?** Yes, Trinidad & Tobago Chamber of Industry and Commerce (TTCIC) and AMCHAM T&T in collaboration with The Trinidad and Tobago Coalition of Services Industries (TTCSI) will be collaborating to execute this initiative, to support the Ministry of Health's vaccination drive.
13. **Will there be a post vaccination hotline for individuals to access information or support should any side effects be experienced?** Yes, vaccinated persons will receive further information and guidelines at the point of vaccination from the medical services provider. You can also report side effects and adverse events by calling the Ministry of Health's COVID hotlines - 800-WELL (9355) or 877-WELL (9355).
14. **Can someone show up on the day without being registered?** While we are encouraging persons to be registered, individuals can show up without an appointment, however, wait times maybe long for those who do not have an appointment.
15. **What do I need to have with me on the day of my vaccination appointment?** Please ensure you walk with the valid form of national identification (ID Card, Drivers Permit, Passport or birth paper) you used to register online.
